PINNACLE CLUB EMAIL

We have also launched the Pinnacle Club email. It is easily accessible on PCs, laptops and smartphones.

We hope that you will find this exclusive email service useful as a personal email facility. It is also another form of recognition of your membership in an exclusive pan-ASEAN club of former military and police chiefs.

Members will receive the latest updates via the email such as the Pinnacle Club newsletters and photographs of Pinnacle Club events, connecting you with the latest updates of members in the Pinnacle Club.

Please let us know if you have any suggestions or feedback with regards to the Pinnacle Club email service.

SINGAPORE AIRSHOW 2016

This is a familiar airshow for most members of the Club, and the Pinnacle Club is pleased to host its annual event to coincide with the Airshow.

For members who have confirmed attendance, we are looking forward to welcoming you to Singapore in February. Highlights include a VIP Tour and Lunch at the ST Engineering Chalet at the Airshow, and a Pinnacle Club Dinner hosted by Deputy Prime Minister & Coordinating Minister for National Security Teo Chee Hean for Pinnacle Club members on 17 February 2016.

We have also arranged 2 optional activities on the morning of 18 February 2016 – a morning golf session at the Singapore Island Country Club or a guided tour at the newly-opened National Gallery Singapore. Please indicate your preference to us, and also update us on your booking details if you haven't already done so.

CONTRIBUTIONS FROM PINNACLE CLUB PATRONS

General (Ret'd) Tan Sri (Dr) Mohamed Hashim bin Mohd Ali has recently published a coffee table book 'Mission Accomplished', and generously presented a copy to the Pinnacle Club.

The leader bears the ultimate responsibility in analyzing and rationalizing the decision, and its consequences. The process of making decisions is democratic, the decision-making itself is autocratic.'

RECEPTION

We have highlighted notable quotes from the book, and the book is available for viewing pleasure at the Pinnacle Club lounge.

'I believe that the Ministry of Defence is not solely responsible for military diplomacy. The military itself has a role to play in enhancing links with other countries.'

'You have to find a way to connect with each other before you can build trust. Trust is not built overnight; neither are ideas or changes effected overnight. It is a process which requires patience.'

'Success results from collaborative efforts. When making decisions, encourage discussions as part of the decision-making process. The final decision, however, lies with the leader.'
